**HIGHLY RECOMMENDED**  
88 % of exhibitors and visitors in 2022 would recommend the GGS to others

**LEIPZIG AND BEYOND**  
Two out of three visitors travelled more than 100 km to the event

**DECISION MAKERS**  
46 % of visitors are involved in procurement and investment decisions. A further 37 % exert influence as consultants

## WELCOME TO GGS

The **GGG – Trade Fair Dangerous Goods // Hazardous Substances** is the only specialist trade fair in Europe for transport, storage and intralogistics as well as the safe handling of dangerous goods and hazardous substances. From 22–24 October 2024, the fourth edition of this unique industry get-together will take place in Leipzig.

After the pandemic break in 2020 and the success of the GGS in 2022 under difficult economic conditions, we are now back on track for national and international growth. Don't miss out on presenting your products, services and expertise when the industry gets together in Leipzig!

Suppliers and users of products, solutions and services in these specialist areas benefit from the trade fair as a platform for networking and dialogue.

- As an industry professional visiting the fair, you can expect to meet
- ◆ Decision-makers and specialists in transport, storage and logistics processes
  - ◆ Dangerous Goods, safety and protection officers

**EXCLUSIVITY**  
41 % of the visitors don't attend any other industry trade fair

**EXPERTISE**  
85 % of exhibitors confirmed the visitors high professional qualifications

## PRODUCTS AND SERVICES

- ◆ Transport and logistics services
- ◆ Vehicles and systems for the transport of dangerous goods
- ◆ Load securing

## THE VISITORS

In Leipzig, you can expect to meet highly qualified visitors, especially from the following industries and sectors:

- ◆ **Industrial manufacturers, processors, and distributors of dangerous goods, e.g.**
  - Chemical industry
  - Automotive industry
  - Metalworking industry
  - Plastics processing industry
- ◆ **Forwarding, freight and other shipping companies for all modes of transport**
- ◆ **Handling and storage companies, terminal and fuel depot operators, distribution and logistics hubs**
- ◆ **Packaging companies**
- ◆ **Waste disposal businesses**
- ◆ **Distributors and traders**
- ◆ **Medical institutions**
- ◆ **Institutions (including police, fire service, military and customs)**
- ◆ **Independent safety officers working in dangerous goods and other areas**
- ◆ **Auditors, engineering firms, experts and consulting agencies**
- ◆ **Research and development institutions**
- ◆ **Trade press and editors**

## THE CONFERENCE PROGRAMME – BECOME AN ACTIVE PART

A contribution to the conference programme brings amazing benefits, including increased awareness of your company and additional contacts. Your contribution ensures plenty of variety at the conference, making it more attractive to visitors.

- ◆ **Open Forum** in the exhibition hall for talks, presentations and panel discussions
- ◆ **Action Forum** in the exhibition hall for live demonstrations and product presentations
- ◆ **Exhibit demonstrations** at your stand
- ◆ **Client events**

Additional items on the conference programme in the neighbouring Congress Center Leipzig include:

- ◆ **Dangerous Goods Meetup** with current topics for professionals
- ◆ **Information events of industry associations**
- ◆ **Seminars and certified training courses**

**NETWORKING  
 MADE EASY!**

## OUR PARTNERS – PROVIDING INSPIRATION FOR AN INNOVATIVE TRADE FAIR

Our patrons, the members of the trade fair advisory board and our media partners are listed at [www.ggs-messe.de/en/partner](http://www.ggs-messe.de/en/partner)

## MEET US IN LEIPZIG

Leipzig is an attractive city with all kinds of art and culture, plentiful shopping opportunities and numerous green spaces. Leipzig's hotels, restaurants and bars are well-known and much-loved for their hospitality and good value. You can enjoy the city's flair and unique mix of past and present while you are visiting the GGS.

Leipzig is one of the world's oldest trade fair cities, with a long tradition of trade, business contacts and informal exchange.

Located in the heart of Central Germany's dynamic economic region, Leipzig is now a major logistics hub, home to the automotive industry and a close neighbour to important chemical industry sites.

Leipzig's modern exhibition centre has good transport connections and offers comprehensive services. Its friendly and helpful staff look forward to **welcoming you!**

## FUEL & GAS LOGISTICS

International Trade Fair for the Logistics of Energy Sources, Lubricants and Industrial Gases

**BENEFIT FROM SYNERGIES!**

## THE NEW TRADE FAIR DUO

**Fuel & Gas Logistics**, international trade fair for the logistics of energy sources, lubricants and industrial gases is a new and redesigned edition of the successful expo PetroTrans trade fair, which took place in Kassel until 2018. It is celebrating its premiere in Leipzig from 22 to 24 October 2024.

You can find all the additional information you need on this European industry get-together at [www.fuel-gas-logistics.com](http://www.fuel-gas-logistics.com)

Exhibitors and visitors at GGS – Trade Fair Dangerous Goods and Hazardous Substances can expect plenty of synergies from the double event and added value.

With few exceptions, every transport or logistical process involving fuels, lubricants and industrial gases falls into the categories of dangerous goods transport or hazardous substances handling. Both trade fairs encompass all modes of transport within the logistics chain and are geared toward an international audience – two more commonalities that will benefit the GGS.

**All tickets are valid for both trade fairs.**
